## EXPERIENCE CERTIFICATE

This is to certify that Mr. Tenzin Ngakpal, s/o Mr. Tenzin Nima, is a former student of our school. Soon after the completion of his B. Tech course, Mr. Tenzin Ngakpal came to serve our Institute as a volunteer for Computer Software Technician from 04.6.2023 to 05.7.2023 in our Office.

During his one month stay in our Institute, he was assigned to look into several long pending tasks on Information Technology (IT) related problems in our office. In his short service tenure, he rectified several software problems in the Computer Systems that our staffs in office have been facing. He also developed Staff Records Database as well as Scholarship Record Database, which are very useful softwares for our institute. He also restored the long pending dysfunction of Student Database of our Institute. Apart from that, he also developed several light and useful computer applications for our office staffs to ease the working system on their computers.

Our Institute appreciates his volunteer services rendered to our Institute during his short stay. We wish him a bright future and best of luck on wherever he works in the days to come.

With regards

Mr. Tenzin Choklang
